

Volunteer Opportunity

Community Connector- Swimming and Days Out

(3-4 hrs per week)

About Us:

C-Change Scotland are a supported living organisation committed to supporting real positive change in the lives of individuals and families with support needs regardless of age and personal circumstances.

About the Role:

We are looking for a volunteer to help G, a person C-Change works for, to get out and about. G lives in his own home with 24 hour support from C-Change, but needs a bit of extra help to do some of the things he likes to do for fun, like going swimming and going to the seaside for days out. G also enjoys horse riding and loves music and dancing.

As a community connector you would work with a member of G's team to help him get out and about and enjoy life.

This role is very flexible and can work around your availability, but we ask that you commit to meeting with G approximately once a week.

You would have access to induction training as well as any additional relevant training opportunities, such as Adult Support and Protection training. You would be well supported by G's team and the Volunteer Coordinator.

About You:

We're looking for a volunteer who is enthusiastic and motivated, reliable, and friendly. A shared interest in swimming and spending time at the seaside is a plus

We feel that this opportunity would be ideal for a social care student or someone considering a career in social care, however we welcome applicants from any background and you don't require any specific experience – apart from being able to swim.

This opportunity takes place at the following times:

	Mon	Tues	Wed	Thurs	Fri	Sat	Sun
Morning	x	x	x	x	x	x	x
Afternoon	x	x	x	x	x	x	x
Evening	x	x	x	x	x	x	x

We require a minimum commitment of 3-4 hours per week.

This opportunity is based in the Cumbernauld area and will take place at various locations in the community.
