

dates-n-mates is Scotland's national dating and friendship agency run by and for adults with learning disabilities. We depend on Volunteers to support our work in Glasgow.

Event Support Volunteer

dates-n-mates is looking for volunteers to help at and lead social events.

We run a regular programme of 8 or 9 events for our members every month; some take place during the day, others are in the evenings or at weekends. Most events last 2-3 hours.

As an Event Support Volunteer you can commit to as much or as little as suits you – even just helping out at one event a month.

Our volunteers help members enjoy the event and support them to interact with one another, as well as helping to ensure everyone is safe. It's sociable, great fun and very rewarding.

NB. As you will be working with vulnerable people, references and a PVG will be required for this volunteer opportunity.
